

Final Conference of the Research Project PRIN 2003 on "Dynamic capabilities, firm organization and local systems of production"

Research Units of the Universities of:
Ancona, Bologna, Lecce, Novara, Padua and Trento
http://www.dse.unibo.it/prin

25 - 26 November 2005, University of Bologna Palazzo Hercolani, Strada Maggiore 45 - Bologna

Program

Friday 25 November 2005

| 9.00 | Welcome address | THOYEMBEL 2005 | |
|-------|--|---|--|
| 7.00 | Paolo Onofri, Department of Economics, University of Bologna | | |
| | Illustration of PRIN2003 activities | | |
| | | | |
| | Nicola De Liso (RU of Lecce), Dean of the Faculty of Law, University of Lecce Riccardo Leoncini (RU of Bologna), National Coordinator of PRIN2003 | | |
| | | | |
| 0.20 | Sandro Montresor (RU of Bologna), PRIN2003 Coordination Assistant Session 1: "Human capital composition, technology diffusion and growth" | | |
| 9.30 | | | |
| | Chair: Gilberto Antonelli (University of | - Padoan P.C. (University of Rome "La Sapienza", | |
| | Bologna, Italy), "On the economic role | Italy), "Technology diffusion, services and endogenous | |
| | of knowledge" | growth in Europe. Is the Lisbon strategy useful?" | |
| | | - Antonelli G. (RU of Bologna) and Pegoretti G. (RU of | |
| | | Trento), "Knowledge endowment and composition as | |
| | | dynamic capabilities" | |
| | | - Antonietti R. (RU of Bologna), "The role of specific | |
| 11.00 | | human capital for within-firm technology adoption" | |
| 11.30 | Session 2: "Innovation and firm/industrial dynamics: organisational vs. territorial space" | | |
| | Chair: J. Stanley Metcalfe (CRIC, | - Belussi F. (University of Padua, Italy), Sammarra A. | |
| | University of Manchester, UK), | (University of L'Aquila, Italy) and Sedita S. (University | |
| | "Evolutionary lessons from industrial | of Padua, Italy), "Learning at the boundaries through | |
| | dynamics" | R&D investments and network relationships: the case of | |
| | | the life science sector in Emilia Romagna" | |
| | | - De Liso N. (RU of Lecce) and Filatrella G. (University | |
| | | of Sannio, Benevento, Italy), "Dynamic capabilities, | |
| | | technological competition and the sailing-ship effect" | |
| | | - Cainelli G. (RU of Lecce), "Spatial proximity" | |
| 13.30 | Lunch | | |
| 14.30 | Session 3: "Innovativeness and appropriability: patents vs. open source" | | |
| | Chair: Maureen McKelvey (Chalmers | Ghosh R. (MERIT /UNU-Intech, University of | |
| | University of Technology, Gothenburg, | Maastricht, NL), "Managing rights in open source | |
| | Sweden), "Firms' involvement in open | software development" | |
| | source software: Why they are | Montobbio F. (University of Insubria, Varese and | |
| | motivating user innovation" | CESPRI Bocconi University Milan, Italy), "The | |
| | | scientific productivity of Italian academic inventors" | |
| | | De Prato G. and Rentocchini F. (RU of Bologna), | |
| | | "Patentability of software programs in the EU: some | |
| | | empirical insights" | |
| 16.30 | Coffee Break | | |
| 17.00 | Social event | | |
| 20.00 | Conference Dinner (for PRIN2003 participants and conference speakers) | | |

Saturday 26 November 2005

| analysis by typology" - Morrison A., Rabellotti R. and Pietrobelli C. (RU of Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Milan, Italy), Prencipe, A. (University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | 9.00 | Session 4: "The dynamics of local systems of production: internationalization and | | |
|---|-------|---|--|--|
| Venice, Italy), "Emerging hubs in Central-Eastern Europe, trade blocs and financial co-operation" - Morrison A., Rabellotti R. and Pietrobelli C. (RU of Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Milan, Italy), Prencipe, A. (University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | | | | |
| analysis by typology" - Morrison A., Rabellotti R. and Pietrobelli C. (RU of Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Milan, Italy), Prencipe, A. (University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | | <i>Chair</i> : Giuseppe Tattara (University of | - Paniccia I. (University of Rome LUISS, Italy), | |
| - Morrison A., Rabellotti R. and Pietrobelli C. (RU of Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | | Venice, Italy), "Emerging hubs in | "Maturity or decline of Italian industrial districts: an | |
| Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Chieti, Pescara, Italy), "Prencipe, A. (University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | | Central-Eastern Europe, trade blocs | analysis by typology" | |
| Novara), "Building dynamic capabilities in clusters: a critical appraisal of the Global Value Chain (GVC) literature" - Iacobucci D. (RU of Ancona), "The internationalization of local production systems: from systemic rationality to firm strategy" 11.00 Session 5: "Dynamic capabilities and learning: in-between firm organization and local systems of production" Chair: Alessandro Lomi (University of Bologna, Italy), "The coevolution of dynamic capabilities and organizational inertia" - Brusoni S. (CESPRI and CRORA, Bocconi University of Chieti, Pescara, Italy), "Prencipe, A. (University of Chieti, Pescara, Italy), "Making design rules: a multi-domain perspective" - Bargigli M. and Lombardi M. (University of Florence Italy), "Information flows, embedded coordination, a competence building networks" | | and financial co-operation" | - Morrison A., Rabellotti R. and Pietrobelli C. (RU of | |
