Pomocník (The Assistant)

A film based on a successful novel by the Slovak writer Ladislav Ballek. This is the story of a family that moved to the Hungarian-speaking south of Slovakia after WWII and acquired a prosperous butcher business, but also inherited the previous assistant of the shop. He assists the family in gaining wealth, but also causes the family's moral disintegration. This is a unique picture of the south of Slovakia, with a mixed Slovak-Hungarian population, depicted in the politically unstable times immediately after WWII. This is an interesting contribution to the sensitive issue of Slovak-Hungarian cohabitation.
