  - Cooperation in a transboundary karst aquifer system within a post-conflict area (DIKTAS Project) – Mr. Holger Treidel, UNESCO-IHP
- Institutional and managerial frameworks for transboundary water cooperation in the Latin American and Caribbean region
  - The International Shared Aquifer Resources Management (ISARM) Americas and Groundwater Governance: lessons learned from the LAC region – Ms. Ofelia Tujchneider, Universidad Nacional El Litoral, Santa Fe, Argentina

**Coffee break 11.30 – 11.45**

#### **11.45 – 12.45**

- Transboundary water cooperation in the La Plata River Basin – Mr. José Luis Genta, Secretary General, Intergovernmental Committee of Coordination of La Plata Basin
- Transboundary water cooperation in the Goascorán River Basin – Mr. Oscar Everardo Chicas Rodríguez, Director General Sovereignty and Territorial Integrity, Ministry of Foreign Affairs of El Salvador
- Guarani Aquifer System: applying the ILC Draft Articles on the Law of Transboundary Aquifers – Mr. Jorge Santa Cruz, Former Technical Coordinator, Guarani Aquifer System project, Argentina
- Transboundary water cooperation in the Artibonite River Basin – Mr. Belizaire Dwinell, Director, National Observatory on the Environment and Vulnerability, Haiti

#### **12.45 – 13.30**

Facilitated discussion with the audience

#### **Lunch 13.30 – 15.00**

#### ***Session 4: Fostering transboundary water cooperation in the Latin American and Caribbean region and UNECE region and between them***

#### **15.00 – 15.30**

Co-chairs: Ms. Caridad Canales, Economic Affairs Officer, ECLAC, and Mr. Nicholas Bonvoisin, Secretary to the UNECE Water Convention

- A multilevel approach for water cooperation: the governance perspective – Ms. Ximena Fuentes, Professor, University of Chile
- The UNECE Water Convention: potential and opportunities for enhancing transboundary water cooperation – Mr. Massimo Cozzone, Chair of the Bureau of the UNECE Water Convention

#### **15.30 – 16.15**

Break out group discussion on the way forward to further promote the exchange between the UNECE region and the Latin American and Caribbean region, as well as the UNECE Water Convention and the role to be played by different partners

#### **16.15 – 16.30**

Presentation of the outcomes of the group discussion

#### **16.30 – 17.00**

Plenary discussion on the way forward to enhance transboundary water cooperation in the Latin American and Caribbean region, including through GEF projects, as well as on the role to be played by different partners

#### ***Session 5: Conclusions and closing***

#### **17.00 – 17.30**

Chair: Mr. Massimo Cozzone, Chair of the Bureau of the UNECE Water Convention

- Conclusions and closing by the Chair
