Society

I International Conference on

CO₂ Angiography

Technological aspects and clinical overview

20 September 2016

University of Bologna - S. Orsola Malpighi Hospital - Bologna, Italy
Institute of Cardiology (Pav. 21, VII floor)

Program

14.00 Registration and coffee

14.30 Introduction

M. Gargiulo (Bologna, Italy)

SESSION 1 - Chairmen: A. Stella (Bologna), M. Zompatori (Bologna)

14.45 Contrast Induced Nephropathy

G. La Manna (Bologna, Italy)

15.00 CO₂ Digital Subtraction Angiography and Intervention: What you need to know!

J. G. Caridi (New Orleans, USA)

15.15 CO₂ is not a contrast medium: a bit of physics!

R. Zannoli (Bologna, Italy)

15.30 Discussion

15.45 Coffee break

SESSION 2 - Chairmen: J.G. Caridi (New Orleans), R. Ferraresi (Bergamo)

16.00 My 30 years of clinical experience

J.G. Caridi (New Orleans, USA)

16.15 CO2 Angiography and arterial access evaluation in percutaneous procedures

A. Cremonesi (Cotignola - RA, Italy)

16.30 Endovascular treatment of Superficial Femoral Arteries

M. Gargiulo (Bologna, Italy)

16.45 Endovascular treatment of Below The Knee Arteries

M. Palena (Abano Terme – PD, Italy)

17.00 EndoVascular Aortic Repair (EVAR)

G.L. Faggioli (Bologna, Italy)

17.15 Discussion

Organizing Committee: Ivan Corazza, Mauro Gargiulo, Romano Zannoli

Scientific Committee: Mauro Gargiulo, Romano Zannoli, Jim G. Caridi, Gaetano La Manna, Maurizio Zompatori, Giuseppe Battista, Ivan Corazza

Please, register for **FREE** to the symposium by sending the registration form (download it at <http://www.dimes.unibo.it/it/eventi/international-symposium-on-co2-angiography.-technological-aspects-and-clinical-overview>) to dimes.co2angiography@unibo.it
