

**LAUREA
MAGISTRALE
IN FISICA**

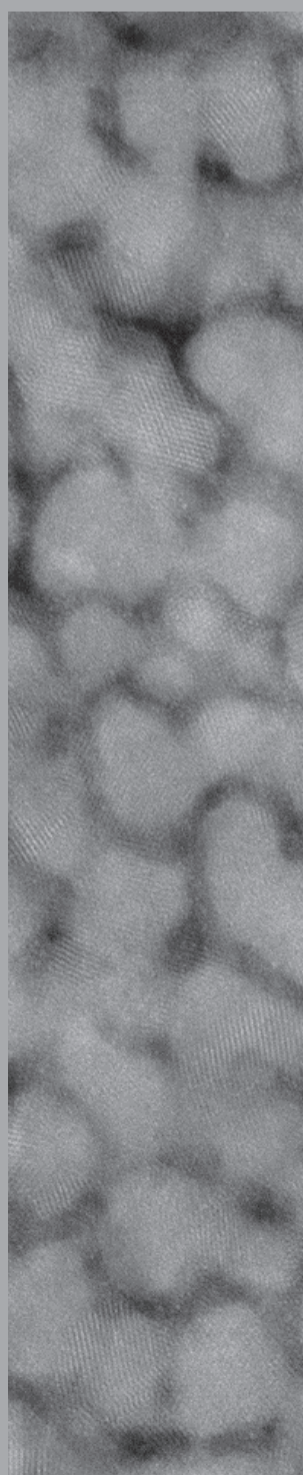

**CURRICULUM
MATERIALS
PHYSICS AND
NANOSCIENCE
MANO**

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA
SCHOOL OF SCIENCE

LAUNCH DAY

**30 MAGGIO 2017
AULA MEDICINA LEGALE
VIA IRNERIO 49**

10.00 | Welcome address

Prof Nicola Semprini Cesari, Director of the Department of Physics and Astronomy

10.10 | Welcome address and international perspectives of the Department of Physics and Astronomy

Prof Beatrice Fraboni delegate for International Relations of the Department of Physics and Astronomy

**10.30 | PLENARY LECTURE
Materials Physics: from Nanoparticles to Sensors**

Prof Paul Sellin, University of Surrey, UK

11.30 | The Materials Physics and Nanoscience (MANO) curriculum, how to enroll, the courses, the news

Prof Daniela Cavalcoli, responsible for MANO curriculum

11.45 | Current research and future challenges in materials physics and nanoscience

Prof Luca Pasquini, MANO curriculum

12.30 | Conclusions and Discussions, final toast
