Travel information

We are excited to host you in the historical city of Bologna. Please find below all the necessary travel information to help you reach the city smoothly.

For attendees travelling by air, Bologna Guglielmo Marconi Airport (BLQ) will be your destination. It is well-connected with major international and domestic airports.

<https://www.bologna-airport.it/en/destinations/?idC=62180>

Upon arrival, you can catch the **Marconi Express** - a monorail link that connects Bologna Airport to Bologna Central Station. The service operates from 5:40 am to midnight, 365 days a year, with departures every 7.5 minutes at peak times. The travel time is just 7 minutes, the cost is 11.50€ and it is a comfortable and convenient way to reach the city centre.

From the airport:

- Follow the signs for the Marconi Express located at the arrivals.
- Purchase a ticket from the automatic ticket machines or online prior to your journey.
- Board the monorail and disembark at the Bologna Central Station stop.

Bologna is also easily accessible by rail. If you're travelling by train, your destination will be the Bologna Centrale railway station, one of Italy's most important train hubs. It offers high-speed links from various Italian cities such as Milan, Venice, Rome, and Florence, among others.

<https://www.italotreno.it/en>

Once you've reached Bologna Centrale:

- Exit the station and take a moment to enjoy the impressive architectural beauty of this historical building.
- If your accommodation is in the city centre, it's a short 15-minute walk.
- You can catch a bus (e-ticket on the bus with credit card or smartphone wallet) or a taxi from the ranks outside the station.

Once you're in Bologna, getting around is simple. The city centre is compact and ideal for walking. If you prefer, there is a comprehensive network of buses, and taxis are readily available.

Remember, Bologna is known for its porticoes, so you can explore the city while being sheltered from sun or rain. Enjoy your time in our beautiful city and prepare yourself for an exciting event!

We look forward to seeing you in Bologna!
